**Discipline Policy and Agreement:**

It is our belief that the discipline lies within the individual and children must learn to govern themselves according to the rules of their environment. To maintain order within the school and create a positive learning environment, a few simple regulations are enforced. Classroom specific rules are sent home when camp starts. We believe parents and/or guardians need to work in conjunction with the school to ensure that their child(ren) understand and observe all school rules.

Betton Hills Preparatory School uses a corrective discipline system. We do not condone or allow corporal punishment of any kind. All students are treated with respect and in turn expected to respect one another and all adult members of the school community and property. In order to grow in their self discipline, children are guided, encouraged, rewarded, and corrected. Consequences for inappropriate behavior will be dealt with in a manner consistent with the age of the student.

Children who attend BHPS Summer Camps will not be subjected to discipline which is severe, humiliating, frightening, or associated with food, rest, or toileting. Spanking or any other form of physical punishment is prohibited by all childcare personnel.

Our discipline policy has three levels:

**Level One:** The first and most important person in behavior control at school is the teacher. The teacher will handle most rule infractions at this level and will apply appropriate consequences as needed.

**Level Two:** When a student does not appropriately modify behavior, he/she will be referred to the office. Parents will be sent a notice from the teacher and/or office personnel and a signature from the parent/guardian may be required.

**Level Three:** If a problem continues, the student will again be referred to the office. Parents will be notified by telephone and in writing from the teacher and/or office. A conference with parents, teacher, and director will be required. Suspension and or other corrective action is possible at this level.

There are instances of extreme or serious behavior in which one or more of the levels of the discipline policy may be by-passed, and suspension or expulsion is assigned as the first consequence. These instances include physical fighting, biting, violent acts, inappropriate language, stealing, threats possession or use of alcohol or drugs, destruction of school property, and possession of any object that may be deemed a weapon. If notified and requested by the school, a parent must pick up the student immediately.

I have read and I accept the Discipline Policy of Betton Hills Preparatory School for my child.
